## Massachusetts Board of Registration in Pharmacy

### Reciprocal Pharmacist Licensure Application

The Massachusetts Board of Registration in Pharmacy (Board) has contracted with Professional Credential Services (PCS) to process all of its applications for examination and licensure for pharmacists. **Pharmacist applicants must submit all of their information, as indicated in these instructions, directly to PCS.**

#### ELIGIBILITY REQUIREMENTS FOR RECIPROCITY CANDIDATES

The Board may grant personal registration as a pharmacist to an applicant who furnishes satisfactory proof to the Board that the applicant has been registered by examination in another state or jurisdiction and that the applicant is in good standing in all states where the applicant holds a registration, provided that such other state or jurisdiction requires a degree of competency equal to that required of applicants in Massachusetts, and provided further that the Board recognizes the other state or jurisdiction for purposes of personal registration by reciprocity. An applicant who seeks personal registration by reciprocity from the Board shall submit a preliminary application to NABP for license transfer. NABP, as agent of the Board, will conduct the preliminary evaluation of an applicant’s qualifications for personal registration by reciprocity. NABP will confirm school information and internship hours. An applicant is not required to submit the Verification of Graduation form and Internship information with the application to PCS. A reciprocity application shall be valid for one year after the date of approval by NABP.

The requirements for the issuance by the Board of a personal registration by reciprocity to an applicant who has graduated from an ACPE-accredited or Board-approved college/school of pharmacy shall include the following: NABP approval; documentation of internship experience as required by 247 CMR 8.01 (*available on our website, and can be mailed by request*); passing score (at least 75%) on MPJE (*Study Guide available on our website*); and if requested, the applicant shall personally appear before the Board to discuss any matter related to the application.

The requirements for the issuance of a personal registration by reciprocity to an applicant who has graduated from a non-approved college/school of pharmacy shall include: Receipt by the Board of an official copy of the applicant’s FPGEC certificate from NABP; documentation satisfactory to the Board of practical experience as required by 247 CMR 8.01; passing score (at least 75%) on MPJE; and if requested, the applicant shall personally appear before the Board to discuss any matter related to the application.

## INSTRUCTIONS

Numerous steps must be completed before a reciprocal licensure application is approved. Following each of the steps below, in the order listed below, will help to ensure your application is processed in the most efficient manner. The steps listed below are only intended to provide an overview of the licensure process. Please be sure to read and understand all of the details associated with each step.

Step 1 – Obtain a *NABP Official Application for Transfer of Pharmaceutics Licensure* (TPL) from NABP. Please visit NABP’s web site, [www.nabp.net](http://www.nabp.net), to obtain NABP’s TPL application and information. You may also contact NABP at 847-391-4406. Please note that receipt of a TPL is not approval for Massachusetts licensure. Applicants must meet all of the Massachusetts requirements.

**IMPORTANT!** Applicant now has 1 year from the *TPL* issue date to pass MPJE. Failure to pass MPJE within 1 year will require new application and fees.

Step 2 – Obtain a *Pharmacist Reciprocal Licensure Application* packet by either going to [www.pcshq.com](http://www.pcshq.com) and printing off the forms, or calling PCS at 877-887-9727 to request it be mailed to you.

Step 3 – Complete the *Pharmacist Reciprocal Licensure Application*. It must be typewritten or printed in blue or black ink. All documents must have original signatures. All questions on the application must be answered. An incomplete application will result in the candidate being notified via e-mail for missing items.

**Also, the candidate is required to go to [www.nabp.net](http://www.nabp.net) to register online for the exam and pay the MPJE exam fee.**

Step 4 – Submit to PCS the following:

- A. Completed Pharmacist Reciprocal Licensure Application (including notarized signature).
- B. Original NABP Official Application for Transfer of Pharmaceutics Licensure; and this may have already been sent to PCS.
- C. 2” x 2” passport-sized photograph (signed by applicant and affixed to application).
- D. Copy of driver’s license or birth certificate.
- E. Credit Card information or money order (payable to PCS).

Step 5 – PCS will review applications to ensure completeness and that all of Massachusetts requirements (except a passing MPJE score) have been met. PCS will notify applicants of any application deficiencies via email.

Step 6 – NABP will issue an Authorization To Test (ATT).

Step 7 – Upon receipt of the ATT, you will schedule your MPJE examination at a Pearson VUE testing center.

Step 8 – Examination results are sent to PCS.

Step 9 – PCS mails examination results to you. Passing examinees will receive their score notice and information regarding their license. Failing examinees will be given instructions on how to reapply. Score results will be available approximately seven business days after you have taken the examination by visiting the following website:

[www.nabp.net/programs/examination/naplex/naplex-and-mpje-score-results/](http://www.nabp.net/programs/examination/naplex/naplex-and-mpje-score-results/)

### **Requirement for Social Security Number**

The Massachusetts Board of Registration in Pharmacy Staff (Board) wishes to inform applicants that a social security number (SSN) is required in order to obtain any professional pharmacy license, including that of a pharmacy intern or pharmacist.

As mandated by Massachusetts law, the Board requires license applicants to submit a valid SSN as a condition of issuing or renewing the license. M.G.L. c. 30A, § 13A.

The Board recognizes an exception to this rule for issuing initial licenses to foreign applicants not physically present in the United States, and individuals whose visa for entry is related to employment involving a professional license. See 8 U.S.C. § 1621.

Once the license has been issued, license holders must obtain and submit a valid SSN as a condition of license renewal.

TO: Pharmacist Licensure Applicants  
FROM: The Massachusetts Board of Registration in Pharmacy  
RE: Multistate Pharmacy Jurisprudence Examination (MPJE®)

---

The Board of Registration in Pharmacy (Board) advises all applicants for licensure as a pharmacist in the Commonwealth of Massachusetts by examination, score transfer, reciprocity or reinstatement to review the reference sources listed below to prepare for the Multistate Pharmacy Jurisprudence Examination (MPJE). This reference document with related web site links may be accessed on the Board's web site (Rules & Regulations icon) at <http://www.mass.gov/dpl/boards/ph/index.htm>.

### **THE MULTISTATE PHARMACY JURISPRUDENCE EXAMINATION (MPJE)**

The MPJE is a two-hour, computer-adaptive examination developed by the National Association of Boards of Pharmacy (NABP) for use by state boards of pharmacy. The MPJE is based in a nationally uniform content blueprint with questions that are tailored to assess the pharmacy jurisprudence requirements of individual states.

Utilizing the MPJE enables the boards of pharmacy to fulfill one aspect of their mission to safeguard the public health and welfare by allowing candidates to demonstrate their ability to meet the responsibilities of pharmacy practice.

The MPJE consists of 90 multiple-choice questions, 30 of which are designated as pre-test questions that do not affect the candidate's score. The examination content blueprint, which is the percentage of questions asked in each of the MPJE competency areas, is uniform for all candidates. For additional information regarding the MPJE Competency Statements (blueprint), consult the NAPLEX/MPJE Registration Bulletin available on-line at [www.nabp.net](http://www.nabp.net).

The individual questions within each content area will differ from candidate to candidate, depending upon their ability level as estimated by the computer's technology. Therefore, candidate scores are not based solely on the number of correct answers, but on an estimate of the candidate's ability level based on the difficulty of the questions and the number of questions answered correctly.

The MPJE is administered Monday through Friday, excluding holidays, through the Thomson Prometric Testing Centers (800-796-9860) (800-529-5390 TTD) ([www.prometric.com](http://www.prometric.com)). If you experience difficulty scheduling an appointment, contact Thomson Prometric Candidate Care at (800-853-6769).
