CANDIDATE INFORMATION BULLETIN

This *Candidate Information Bulletin* ("CIB") is intended for your use in preparing for and understanding the processes and procedures for applying for licensure and scheduling to test. The South Carolina Board for Cosmetology (the "Board") is responsible for licensing and regulating the profession of instructor in the State of South Carolina. The Board has contracted with Professional Credential Services ("PCS") to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology ("NIC") examinations. PCS first requires the submission of an Examination & License Application ("Application"). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS.

If you do not receive your Admission Notice via mail on the Monday prior to the approved examination date, please call PCS for further instructions. You will receive an **Authorization to Test (ATT)** for the theory examination as soon as you have been approved to test. If you do not receive your ATT via mail within 7 days, please call PCS to verify your mailing address is correct.

If you are **not** approved because of an incomplete application, discrepancies, missing documentation, including signatures, you will be contacted by PCS and your application will be pending until you make the necessary and requested corrections. If you mail any documentation separate and apart from the application, please make reference to this on your information.

YOUR APPLICATION FOR EXAMINATION AND LICENSURE WILL NOT BE CONSIDERED UNTIL THE ENTIRE PACKET IS COMPLETE.

How To Schedule For and Take the Theory Examination: Upon receipt of your ATT, you may request to take the theory examination by contacting PSI Testing Center at www.psiexams.com or at 800-733-9267. An ATT **cannot be faxed** to you or to the PSI site.

Internet Scheduling

For the fastest and most convenient test scheduling process, PSI recommends that candidates register for their examinations using the Internet. Candidates register online by accessing PSI's registration website at www.psiexams.com. Internet registration is available 24 hours a day. In order to register by Internet, complete the steps below:

Log onto PSI's website. Complete the associated registration form online and submit your information to PSI via the internet.

Upon completion of the online registration form, you will be given the available examination dates and locations for scheduling your examination. Select your desired testing date and location.

Telephone Scheduling

The second fastest method of scheduling is via the telephone with PSI's Interactive Voice Response system (IVR) during non-business hours, or through live registrars during business hours.

Call 800-733-9267, 24 hours a day and register using the Automated Registration System. Otherwise, PSI registrars are available Monday through Friday, between 7:30am and 8:00pm and Saturday, between 11:00am and 5:00pm, Eastern Time, to schedule your appointment for the examination.

Theory examinations are offered on a daily basis using a computer-based testing platform. Since PSI tests for many different professions, please allow three business days between the time you call to schedule your examination and the time you wish to sit for the examination. A "seat" may not be available at the time you wish to test if there is not sufficient lead-time in placing your scheduling call. There are several PSI Testing Centers throughout South Carolina, however, you can examine at any PSI test center located throughout the United States. You may access test center information at www.psiexams.com. Maps and test center hours are available from this web site as well.

You will take your theory examination on a personal computer. You select answers either by using a mouse or the keyboard. Please visit www.psiexams.com for additional information on computer-based testing. If you encounter any problems with the computer, you should notify the test administrator. You will be given 90 minutes to complete the entire examination. Examination questions are multiple-choice with one correct answer and three incorrect responses. There is no penalty for guessing. You must attain a score of 80 or higher to achieve a passing score on the theory examination. PSI personnel have no knowledge of, are not responsible for, and cannot answer questions about the content of the examinations, references, passing scores, etc.

General Policies and Procedures for Theory and Practical Examinations:

Security Policies: Suspected security breaches during either the theory or practical test administrations, such as an act of impersonation, creating a disturbance, giving or receiving unauthorized information or aiding other candidates, attempting to remove test information by any means, possessing prohibited materials or sharing supplies may be sufficient cause to dismiss you from the examination site or to invalidate or cancel your scores. Suspected breaches may be identified by observation or suspicion by the test center staff, or may be evidenced by subsequent statistical analysis of examination materials. PCS reserves the right to investigate each incident of misconduct and will report such incidents directly to the Board. The Board will make all final decisions on examination score invalidations or cancellations. **No visitors, guests or children are allowed in the test center.**

Copyrighted Examination Questions: All test questions are the express copyrighted property of NIC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part. Doing so may subject you to severe civil and criminal penalties, including prison incarceration and/or fined up to \$250,000 for criminal violations.

Prohibited Items: No food, beverages, purses, notebooks, magazines, backpacks, briefcases, hats, caps, reference books or electronic devices such as cameras, computers or computerized devices, walkmans, ipods, radios, recording devices, portable fax machines, cellular telephones, calculator watches, reproduction equipment, beepers or pagers are permitted in the examination room. If any of the aforementioned items are found in a candidate's possession, the Test Center Administrator will collect the item until the end of the examination and provide an incident report of the incident to the Board and PCS. Smoking or the use of tobacco is strictly prohibited in the examination room. PCS is not responsible for **any** personal items brought into the examination site.

Environmental Distracters: Although every attempt is made to provide a quiet and comfortable test environment, noise and room temperature may be an unforeseen and unavoidable distracter. It is suggested that you wear the type of clothing that would allow you to adapt to a cooler or warmer climate at the testing site.

Emergency Policy: In the event of inclement weather or similar emergency, a scheduled examination may be canceled or delayed. However, this decision is made only in rare instances and at the discretion of PCS and/or PSI. If a test center is open for testing, and you choose not to appear for your scheduled examination, your fee will be forfeited. You will have to reschedule your appointment and resubmit the appropriate fee to PCS. If you have reason to question whether or not a center will be closed due to an emergency, please call PCS to make inquiries regarding the practical examination and PSI for inquiries regarding the theory examination.

Refunds and Rescheduling Policies: You may reschedule for the theory examination without losing your fee **if** you contact PSI within three working days **prior** to your scheduled examination date. If you reschedule **after** the three-day window, you will forfeit your fee. **NOTE:** A voicemail message is not an acceptable form of cancellation. Please use the internet, automated telephone system or call PSI and speak to a Customer Service Representative. Rescheduling is **not** permitted for the practical examination unless you are hospitalized or are involved in a traffic accident on the way to the test center that prevents you from arriving on time. Refunds are **not** issued nor are fees transferable for either the theory or practical examinations. Documentation of the above-noted exceptions is required.

Score Information: When you complete the theory examination, the computer will print out an unofficial "Pass" or "Fail" Score Report. For failing candidates, this will include a strength and weakness report by major content areas. For the theory examination, a score of 80 is required in order to pass. If your score report does not print out because of technical problems, a score report will be provided to you within 24 hours after you test.

The official pass or fail results of the theory and practical examination will be mailed to you by first-class mail 10 business days after you take the examination. Failing candidates will receive a strength and weakness report, as well as information on how to retest. For the practical examination, an overall score of 80 must be achieved.

Confidentiality: Test results are confidential and are not provided over the telephone.

Passing Candidates: Pursuant to South Carolina Law, you must successfully pass the theory and practical examination within one calendar year of your initial application date or you must begin the application process over as a first-time candidate. When you have passed the theory, and the practical examinations, PCS will notify the Board electronically and mail your file to the Board as well. Please allow **30** days for the Board to process your license. Please be patient. Do not call the Board offices or PCS inquiring about your license until this time period has passed. You may use your "**official**" Pass Score Report (**Notice of Completion**) to practice until you receive your license via mail from the Board. Please be sure to notify PCS of any mailing address changes.

Failing Candidates: **EFFECTIVE JUNE 25, 2010:** There is no longer a two time examination fail limit. **NOTE:** Candidates that applied prior to June 25, 2010 are subject to previous requirements.
